

Neighbourhood Development Plan consultation

Please be advised that we intended to commence a Local Consultation on the pre-submission Draft (Third Draft) of the Neighbourhood Development Plan (NDP) before submission to the Planning Authority for the final stages of the consultation process.

However due to the current Corona virus pandemic we are unable to comply with the conditions for Local Consultation (Regulation 14) as we cannot provide paper copies in the Library and Council Offices for the public to view and in addition it would be considered unnecessary travel for anyone to make a special visit to do so if they were available.

While we cannot yet conduct a formal Local Consultation we decided to publish the Draft for an informal Consultation to allow as many people as possible to have the chance to provide their comments.

- We will publish all comments and our proposed actions to update a Fourth Draft on the Parish web page. Once the current restrictions are lifted we will start the formal process again and let everyone know.

In the meantime, the **Third Draft Neighbourhood Development Plan**, its **Appendices** and also a document: **Inventory of Parish Amenities** which forms part of the NDP, are available in the Parish Website ... <https://wooburnparish.gov.uk>

Copies of the NDP have been supplied to local Residents' Associations with the request that they disseminate copies to their members, asking them to provide any comments or suggestions by email, or to write or call...

The Clerk,

Wooburn and Bourne End Parish Council, Council Offices, Town Lane, Wooburn, Bucks HP10 0PS

Email: clerk@wooburnparish.gov.uk

Telephone: 01628 522827

This informal process of consultation will continue until 31 May.

All comments will be logged as they are received and the Comments Log will be available to view on the Parish website. The Comments Log includes all comments received for each of the previous drafts. It does not contain names or contact information although that information will be kept separately for the Independent Examiner later in the process as evidence of our Parish consultation processes.

- We will publish comments received each week in the Comments Log and will respond to each respondent.
